

4-port fully equipped SC port terminal box

Overview

This 4-port SC single-mode termination box from Kelan Communication is designed for high-speed fiber optic networks. Fully equipped with SC adapters and engineered for 10G transmission, it's ideal for space-constrained indoor environments, including server rooms, telecom cabinets. Kelan Communication Fiber Optic Termination Box FSW-4P-SC-SM Black is a compact, high-performance fiber management solution featuring 4 ports and 4 cores optimized for SC single-mode 10 Gigabit applications. Its robust black housing and pre-installed adapters ensure easy deployment and stable. A must-have for upgrading your home or office broadband in 2025! this 4-port sc fiber terminal box features a premium aluminum alloy housing and comes fully equipped with sc fiber fusion splicing plates. It serves as an indoor fiber outlet, connecting drop cables to end-user devices and ensuring stable, high-speed.
