

A comprehensive list of prices for cable trays in Afghanistan

Article Overview

The price of a complete set of cable trays in Afghanistan varies widely depending on material, size, and supplier, typically ranging from moderate to high market rates for stainless steel or flat steel options.

Local Suppliers and Options

- Rayan Manufacturing Company produces various types of cable trays and ladders in Afghanistan, adhering to UL and IEC international standards. They offer customized solutions for industrial and commercial projects, which can affect pricing depending on the complexity and size of the order .
- Cable House is another leading supplier, providing a comprehensive range of cable trays with a focus on durability, reliability, and long operating life. They offer competitive market prices and can supply complete sets tailored to client requirements .
- SS Cable Tray Manufacturers like Jeetmull Jaichandlall (P) Ltd. provide stainless steel trays in various sizes and configurations. These are suitable for heavy-duty applications and industrial use, and prices are generally higher than standard flat steel trays due to material quality and manufacturing standards .

Factors Affecting Price

- Material Type: Stainless steel trays are more expensive than flat steel or aluminum trays due to corrosion resistance and durability.
- Size and Length: Larger trays or longer runs increase the total cost.
