

Cable Pipeline and Cable Tray Companies

Article Overview

Leading cable tray and pipeline companies include Atkore International, Schneider Electric, Legrand, Eaton, Spina Group, and Snake Tray, offering a wide range of industrial and commercial cable management solutions.

Top Global Manufacturers and Suppliers

Atkore International is a major global manufacturer providing cable tray systems, including galvanized, stainless steel, and custom solutions for industrial, commercial, and data center applications . Their Cope brand specializes in heavy-duty trays suitable for petrochemical and power generation facilities .

Schneider Electric offers robust galvanized cable management solutions designed for challenging industrial environments such as oil & gas plants and chemical facilities .

Legrand Group provides versatile cable management systems, including wire mesh and ladder trays, widely used in modern infrastructure projects .

Eaton Corporation delivers comprehensive cable tray systems for industrial and commercial applications, including data centers and manufacturing plants .

Spina Group specializes in industrial cable management, offering stainless steel, galvanized, and wire-mesh trays in ladder, perforated, and closed-bottom types. Their systems are designed for high mechanical resistance, ventilation, and compliance with EN and UL standards .

Snake Tray focuses on aluminum and steel cable trays, providing cost-effective solutions for data centers, solar installations, and transit projects .
