

Czech cable tray models

Overview

We manufacture metallic cable tray systems in the following types: solid bottom cable trays (perforated and closed), ladder trays and mesh trays, in different structural dimensions and material qualities. ARKYS company has been operating on the Czech market for 25 years. Discover all CAD files of the "Cable trays" category from Supplier-Certified Catalogs □ SOLIDWORKS, Inventor, Creo, CATIA, Solid Edge, autoCAD, Revit and many more CAD software but also as STEP, STL, IGES, STL, DWG, DXF and more neutral CAD formats. Cabletray 3D models ready to view and download for free. We divide the cable trays into inner and outer due to t manufacture all of the cable trays on our profile line as Profile Center. Due to this, they have their specific length 2. The standard commercial proposal is integrated by the creation of customized solutions.
