

How much does a flame-retardant cable tray cost in Chile

Overview

Flame-retardant cable trays typically range from \$20 to \$150 per meter, depending on material, fire rating, and load capacity. ☐☐ For bulk orders or project pricing, the cost can be significantly lower. Factors Affecting Price

Material: Cable trays are made from galvanized steel, aluminum, stainless steel, or fiberglass-reinforced plastic (FRP/GRP). Cable trays are vital in electrical installations, providing secure pathways for power, communication, and control cables across residential, commercial, and industrial settings. As a trusted global FRP product Exporter, our cable trays adopt premium fiberglass with flame retardant additives and stainless steel shielding net, delivering excellent fire resistance, heat insulation and anti-corrosion performance. Perfect for chemical, metallurgy and petroleum industries, we.
