

Ireland Network Distribution Box Design

Overview

The Distribution General Conditions (DGC) sets out the legal framework guiding the Operation of the Distribution Code. A key action in our strategy is to publish a ten-year Distribution Network Development. Designed and manufactured in Italy, the Euro2000 range of Distribution Boxes offer quality and reliability across the entire range. Cental has over the past decades been the main supplier of Control and Protection Cabinets. From basic design and consultation to feasibility studies and complete turnkey solutions, your projects are customised based on your requirements. Your electrical installation reliability and stability complying with regulations and standards. Accelerate turn-around time to come to a final solution. Leading Irish Electrical Wholesaler since 1935. Expert in electrical equipment, lighting, wiring accessories, CCTV, fire alarms, and more. Copyright © 2024-2025 SGD Ltd.
