

Middle East Fiber Optic Communication Power Supply Company

Article Overview

Key companies in the Middle East providing fiber optic communication and power supply solutions include OPTOKON Middle East, OPTIMAL CONNECTIVITY, Naficon, Techline, and Arabian Power.

OPTOKON Middle East

Established in 2022, OPTOKON Middle East is part of the OPTOKON Group and has been active in the region since 1996. The company specializes in fiber optic connectivity assembly for telecommunication networks, supporting operators and enterprises in building high-performance infrastructure. OPTOKON also integrates C4ISTAR technologies for defense and security applications, offering both world-class technology and regional expertise to deliver secure and innovative solutions across the Middle East .

OPTIMAL CONNECTIVITY

OPTIMAL CONNECTIVITY LLC operates in the UAE, GCC, and MENA region, providing RF-Microwave, electrical, and fiber optic connectivity products. The company partners with high-quality European and American brands and offers customized cable solutions for energy, solar, industrial, railway, airport infrastructure, and e-mobility sectors. They also provide turnkey AutoID and RFID solutions for industries such as oil & gas, logistics, healthcare, and industrial automation .
