

Price of Mali Mesh Cable Tray Clips

Article Overview

Mali Mesh Cable Tray Clips typically range from \$0.50 to \$3 per clip, depending on size, material, and supplier.

Overview

Mali Mesh Cable Tray Clips are used to secure cables to wire mesh trays, ensuring organized and safe cable management. Prices vary based on material (galvanized steel, stainless steel, or aluminum), clip size, and quantity purchased. Bulk orders often reduce the per-unit cost.

Sourcing Options

- Alibaba lists wire mesh cable trays and accessories with CE-certified steel and HDG options, where clips are often sold alongside trays. Prices for individual clips can start around \$0.50 per piece for standard sizes, with discounts for bulk orders .
- Local suppliers in Mali include manufacturers and distributors of galvanized wire mesh cable trays, who may offer clips as part of a cable management system. Contacting suppliers directly can provide accurate quotes based on quantity and specifications .
- Online marketplaces like Amazon or McMaster-Carr offer cable tray clamps and mounting brackets, which are similar to clips, with prices ranging from \$1 to \$3 per unit depending on material and design .

Tips for Purchasing

- Determine the material: Stainless steel clips are more corrosion-resistant but cost more than galvanized steel.
