

Qatar makes electrical distribution boxes

Article Overview

Yes, Qatar has a well-established market for electrical distribution boxes, with multiple local manufacturers and suppliers providing a wide range of products for residential, commercial, and industrial use.

Availability and Suppliers

Qatar hosts several companies specializing in electrical distribution boxes and panels. Alsiraj Qatar offers wall-mounted distribution boxes suitable for indoor and outdoor applications, made from high-quality PC/ABS materials with certifications according to IEC/EN 62208, ensuring durability, impact resistance, and weatherproofing . Al Bidda Switchgear, based in Doha, manufactures LV and MV switchgear and panels, supplying major projects like Qatar Rail and stadiums, highlighting the local production of high-standard electrical distribution equipment . Bushtorm provides a variety of power distribution panels and distribution boards, including flameproof and corrosion-resistant designs suitable for hazardous zones, demonstrating the availability of specialized industrial solutions in Qatar . Electra Qatar supplies distribution point boxes made from self-extinguishing, corrosion-free plastics, designed for indoor applications with IP30 protection and UL 94V-0 flammability class . Malik Electrical also lists distribution boxes among its offerings, further confirming the local supply network .
