

UAE Bimetallic Coated Cable Tray Models

Overview

Available Types: Options include ladder cable trays for heavy-duty cable runs and perforated trays for improved airflow and lightweight needs. Easy Installation: The trays feature standardized dimensions and compatible fittings, allowing quick and seamless. Unigroup offers a line-up of high-performance cable trays, Trunking and Channel Systems for all your cable routing requirements. Our cable tray systems are engineered for modern infrastructure, ensuring safe, organized, and efficient cable routing across commercial, industrial, and utility. We at Ruwais Steel hold a pan-UAE presence to supply cable trays of the highest industrial standards to businesses, factories, manufacturing units, and other setups to create an efficient Cable Tray System that is acclimatized to match any weather conditions. Thus, ensuring standardization of materials used, as well as load-bearing capacities. Emerald Steel Industries LLC in Ajman UAE is the suppliers of Cable Tray products in UAE and has wide variants of cable tray products manufactured out of top quality raw materials.
