

What are some network cabinet manufacturers in Vanuatu

Article Overview

Network cabinets for Vanuatu can be sourced from both international suppliers and local ICT companies like Pacific Networks, which provide enterprise-grade hardware and managed services.

International Suppliers

Several international manufacturers and suppliers offer network cabinets suitable for deployment in Vanuatu. For example, Alibaba lists durable and efficient network cabinets designed for secure storage and optimal performance, which can be shipped globally, including to Vanuatu . Additionally, companies like Gcabling Electronic supply a wide range of network infrastructure products, including network cabinets, patch cords, and connectors, with certifications such as UL, ETL, and SGS, ensuring compliance with international standards .

Local ICT Companies

For local sourcing and support, Pacific Networks Limited (PacNET) is a 100% Ni-Vanuatu-owned ICT company based in Port Vila. They provide a full range of enterprise ICT solutions, including managed network services, cloud infrastructure, and hardware procurement. PacNET can supply, install, and manage network cabinets as part of their managed IT and network services, making them a reliable local partner for businesses and organizations in Vanuatu . They also offer services like IP PBX systems, DDoS-protected networks, and Starlink internet integration, which can complement network cabinet deployment .
