

Zambia electrical distribution box specialist

Overview

Industrial electrical systems in Lusaka for power distribution, LV switchgear, MCCs, motor control, control panels, automation-ready wiring, maintenance and upgrades in Zambia. Commissioned by ZESCO, Zambia's leading power utility, the project aimed to bolster the country's electrical distribution network. The poles were delivered to ZESCO's headquarters on Great East Road, Lusaka, contributing to the expansion and reliability of power lines across the region. IO On August. We are Electrical Solutions Specialists, based in Zambia, with well established branches in Lusaka, Mazabuka, Mkushi and Livingstone. Each with fully equipped qualified staff, independently mobile, at your service. From precision-engineered components to cutting-edge event equipment, every item in our inventory undergoes rigorous quality control measures.
